Payment Due By: 01/16/2025

Description	Total Price
AI 395T Advances in Deep Learning	\$ 1,000.00
Total Invoice Amount:	\$ 1,000.00
Amount Owed:	\$ 1,000.00

Notes:

- Each course is \$1,000. Non-payment may result in being dropped from courses.
- Each course is 3 credit hours.

Please note that fees will be included on your invoice after the 12th class day.

- The University requires that all international students pay \$125 student fee each semester in addition to their tuition rates.
- Students with certain visa statuses are automatically enrolled in UT Student Health Insurance. A waiver must be submitted and approved by IO to avoid enrollment.
- If you provided a waiver to the international office and are still receiving an invoice, it is because the program incurred an insurance cost from the international office on your behalf. It is likely that the fee covers evacuation insurance.
- Late registration and re-registration fees are set by the Registrar and cannot be waived.
